

Dua-E-Arafah

Piercing the veils and journeying towards the Almighty
*Seminar on the spiritual pearls of this great dua of
Imam Hussein (AS)*

The day of Arafah is one of the most sacred days in the Islamic Calendar. Its purpose is to gain marifah (understanding) of Allah (SWT) and seek nearness to Him. Those performing the Hajj will spend this day in prayer, contemplation and worship of the divine in the dry desert of Arafah. However, those who have not been blessed with the opportunity this year need not despair of His mercy as He is ever-present in the heart of a believer
